

8" CompRT 1 Ohm

The CompRT Eight-Inch Subwoofer is an all-weather thin subwoofer with a pair of 1Ω voice coils.

To be a truly motorcycle/ATV friendly subwoofer, the sub must be able to take the rain, snow and sun - and keep on playing. A UV-resistant cone and surround help make the CompRT sound great where the road (or trail) take you.

The CompRT Eight-Inch Subwoofer works best with a sealed or ported enclosure and 300 watts of recommended power. See below for more details.

Specifications

SIZE [in, cm]:

8, 20
